

MID-YEAR SUBSCRIPTION TO THE PAIDEIA LETTER

If you're not a current subscriber to THE PAIDEIA LETTER, but you receive an occasional copy, perhaps you've thought about possibly subscribing next year or some year in the future. Well, next year is 2022, and it's almost here! Again—as we have in the past—we're offering a mid-year subscription starting as soon as you subscribe and carrying through July 31, 2022, when everyone's annual subscription expires. Actually if you accept our offer for every issue from December through July, it provides more than a half-year of issues (8/12ths or 2/3rds, to be exact). At \$160.00 for the full year, our "mid-year" subscription rate of \$95.00 is a genuine bargain. You will receive our Winter and Spring quarterly issues, plus the extended Subscriber's Supplement essay that accompanies each.

To take this offer, send your check for \$95.00, payable to PAIDEIA, Inc. with the stub below. Sorry, no credit card payment for this offer.
